

### **Dairy Farmers of Canada Pure Determination Fund**

The Canadian Olympic Committee is proud to partner with the Dairy Farmers of Canada on the Pure Determination Fund, helping Canadian athletes become tomorrow's champions. The Dairy Farmers of Canada has committed \$800,000 over 4 years aimed at Olympic hopefuls in individual or teams sports, who need financial help to achieve a top six ranking in the world.

Each year, awards of \$10,000 will be distributed to help athletes offset the costs of training and competition in areas such as equipment, coaches and travel expenses. The grants will be evenly split between athletes training for Olympic Winter Games and those training for Olympic Games (summer).
