

Interim OUA Points Calculations for all points eligible events up to and including OUA Championships

The Calculation reflects the "best of formula" for events as follows: Included are both OUA championship races, plus best two classic and best to free races from the O Cup series plus the North Bay Invitational. Of these five races, only one classic race is available for inclusion to date. If you have any observations or concerns with the points results that are listed please contact Doug Winter at dougwinter2@gmail.com or Hans Fischer at hans.fischer@utoronto.ca.
