Note 1 Note Jr Boy YOB calculations applied to Nationals race results

Note 2 Meaning of the color designation on athlete names

Red Met the selection criteria and ranked as posted and before any consideration of adaptation of the calculation process for O Cup Race 1, day 2 event

Blue Met the selection and ranked after the criteria was adapted to consider O Cup Race 1, day 2 event, as Skate for calculation purposes.

The selection of both groups of athletes ensures that any skier that met the posted criteria is not displaced from selection to the OST as a result of the supplementary process.
